The Gainesville Community Christian Band

The Gainesville Community Christian Band is distinctly Christian in spirit and purpose. It is ideal for home school students, private Christian school students, or any students who want to play music in a Christian atmosphere under Christian leadership and with other Christian musicians.

CCB is for students, fourth grade (9years of age) and up, of all ability levels, from beginning to advanced students.

CCB includes traditional Concert band instrumentation (woodwinds, brass, and percussion) It does NOT include stringed instruments such as guitars, violins, cellos, etc.

CCB receives quality instruction from Everett McConn who has 45 years in public and Christian school education including 35 + years of experience teaching band. He is assisted by associate director, Eric Redmond, band director at Windsor Christian Academy, music Director at Windsor Baptist Church and private piano instructor
