
Homeschool Parents,

Windsor Christian Academy provides courses for home education students which can enhance and enrich your child's learning opportunities.

For the 2026-2027 school year, we are offering:

- Beginner, Intermediate and Advanced Band classes for homeschoolers grades 5th - 12th
- 8th Grade Math Course (Zoom)
- Algebra I and Algebra II Classes (Zoom)

If you are interested in finding out more information, please call us at 352-375-7316.

If you are ready to apply, click the following and choose the Homeschool Student applications (New First Homechool Student for your first child which has a $25 enrollment fee, then New Next Homeschool Student application for any additional children, which is $25 per child):

https://app.praxischool.com/site_login.php?s=1144&fbclid=IwAR0-askMZneRML0kZNk2S2TfKmteq75yf4Qd3Wt4P4fFbw8YMqbEWxEFZX8

The homeschool PEP scholarship, by Step up for Students, will cover the tuition for these classes.

Once you have applied as a new homeschool family to our school, login into your SUFS EMA Marketplace account, and search for our school's name as a provider. Then to choose the class you would like your child to take, select the service you wish to add. Here is a helpful link on youtube that shows parents how to do these steps:
